## **SIL & eDelivery Barcelona open registrations for its Start-up Innovation Hub**

- The Leading Logistics, Transport, Intralogistics and Supply Chain exhibition in Southern Europe, organized by the Consorci de la Zona Franca de Barcelona, will bring together the most disruptive companies in the sector.
- Participating entrepreneurs and start-ups will have the opportunity to present innovative solutions and projects at the Start-up Innovation Hub held in collaboration with La Salle Technova.

**Barcelona, March 3, 2022** – The **22nd edition of SIL Barcelona** organized by the Consorci de la Zona Franca de Barcelona (CZFB), which will take place from May 31 to June 2 of 2022, in Hall 8 of the Montjuic venue of Fira de Barcelona, wants to attract and promote the participation of all those entrepreneurs and start-ups that can offer disruptive solutions with an impact on the logistics sector through its **Start-up Innovation Hub**, in collaboration with La Salle Technova.

The participating companies will have the opportunity to present creative and innovative solutions and projects to leading industrial companies, investors, venture capital firms and, overall, to the specialized public of the entire global supply chain present at the main meeting of the logistics sector in Southern Europe and the Mediterranean.

The SIL & eDelivery Start-up Innovation Hub is a unique meeting point for creating synergies, networking in the Círculo Logístico and Círculo Retailer, as well as accessing industry expertise. The ten best proposals will be direct candidates for the **SIL & eDelivery awards** in the **Best Start-up Award category**, and the selected projects will be published in the **SIL & eDelivery Barcelona start-up directory** as the best start-ups of the year.

**Pere Navarro**, special delegate of the State in the CZFB, has expressed that *"this initiative is a great opportunity to help all those entrepreneurs in the logistics sector, which in recent years has reaffirmed its importance in the global economy. In this edition, we want to strengthen our role as an international business bridge between Europe, Latin America and the Mediterranean countries"*.

[Registrations](#) are now open and all interested parties can submit their application by filling out the online form through the platform.

#### **About Consorci de la Zona Franca de Barcelona**

Consorci is a public company that is financed entirely with its own funds, such as the industrial leases of the Barcelona Free Trade Zone Industrial Park and its asset management. Although its main field of activity is the industrial estate and its customs free zone, it also promotes buildings, urban and industrial land, acts as a driving force for business transformation towards the 4.0 economy and organizes events of economic interest for Barcelona such as the SIL logistics show or the BMP real estate show.

Its plenary has representatives of the Spanish government, the Barcelona City Council, and the main economic entities of the city.
